

# SR-68, 500 South Open House REVISED COMMENT FORM

Name (optional): \_\_\_\_\_

How do you use the SR-68 corridor?

Address (optional): \_\_\_\_\_

☐ Live ☐ Commute ☐ Work

Input from the motorists who use this roadway is one of the most important tools that the project team can use when conducting an environmental study. Please let us know what your ideas are in the areas below.

## **Mainline Alignment Options**

What are your opinions regarding the following conceptual solutions presented for the corridor?

### **Option B (5-Lane Corridor with Right/East/South Shift of the Main Line Alignment traveling northbound to eastbound):**

Comments: \_\_\_\_\_

How would you rate this option? *(one being the worst solution and five being the best possible solution)*

1      2      3      4      5

### **Option C (5-Lane Corridor with Left/West/North Shift of Main Line Alignment traveling northbound to eastbound):**

Comments: \_\_\_\_\_

How would you rate this option? *(one being the worst solution and five being the best possible solution)*

1      2      3      4      5

Do you have any additional comments about the SR-68, 500 South Project?
